Dear Dave,

Thank you so much for all that you and your boardmates did to make my wedding such a resounding success! I couldn't have asked for a better band, and the compliments for you guys have absolutely been pouring in! You all really were great! Just like I remember from my days at college...

Thank you for giving me extra wine to accommodate all of my strange requests, particularly for kevin's "The Luckiest" and playing "Ginto Eat's a Rubber Tire".

I can't say enough about you all - you were absolutely perfect. Thanks so much for everything!
Love,
Randy (and Mike)
